School Cash Online has been designed to be an easy to use, efficient online payment system. All you need to do is follow these four simple steps to get started.

- Register – Register your own secure personal payment account by selecting Get Started Today on the homepage.
- Add a Student – Once you've confirmed your account, add your child to your account to view and pay for school expenses. You should be prompted for this information upon login. This feature can also be located under the "Items" tab or the "My Account" tab.
- Pay School Expenses – Pay for any selected school expenses by adding the items to the cart and checking out.
- Print Receipt – Print a copy of the transaction receipt for your personal records. This information can also be found under "Payment History".
